

# Watch And Learn, Son.

**Saturday 18<sup>th</sup> June**  
**from 2:30pm**  
**at**  
**The Buckshaw Bernabau**

Ever been frustrated in your child's football sessions and just wanted to get out there and show 'em how it's done..?

Ever wondered whether you should do more for charity..?

Now's your chance to achieve both. No need to try and dig out any old footage of you in your prime just to get the point across that daddy knew how to play the game properly. Kluiverts, drag-backs, nutmegs, scissors, Cruyff turns. You know they're still in there and you know they've got to come out... just one last time. Get it all on video and then you can sit back and regale to your lad for years to come on what 'defending tight' means, what 'showing the opposition your inside' is and revealing to them that goal celebrations can be a modest salute to the crowd. "No need to rip your shirt off like a WWE wrestler, son. Never 'appened in my day."

**One Saturday in June. Twenty-six men pushing themselves to the limit for that last chance of glory. All proceeds going to a great cause. Be there, be immense... and be ready to hang up your boots from that day forward – hamstrings permitting!**

If you're a half-decent player, reasonably fit and you're willing to pay to play contact Stephen on 07702 118 469.
